

PRIVACY POLICY FOR THE WEBSITE

Quant.Capital Management GmbH welcomes you to our website. We are pleased about your interest and would like to make your stay on our website as pleasant as possible. For us, this also includes the responsible handling of your data, which complies with the statutory requirements in Germany in every respect.

1. Scope of application

This Privacy Policy applies to the following web offerings and associated subdomains: www.quantcapital.de and www.quantcapital.ch.

2. Processing of data with and without personal reference

a. Surfing on our website

In principle, you may visit our websites without providing any identifiable information. We collect data about each server access (referred to as server log files) concerning our offering.

- The access data include the name of the website accessed Date and time of access
- Data transmitted
- Message of successful access browser type along with version
- User's operating system
- Referrer URL (the previously visited page)
IP address and the requesting provider.

The data are used exclusively to manage and optimize the Internet offering and for statistical purposes. No user profiles are created.

IP addresses may be personal data because under certain conditions it is possible to find out the identity of the owner of the Internet access used by providing information from the respective Internet provider. We will only analyse the IP address in the event of attacks on our Internet infrastructure. In such event, we have legitimate interests in processing the IP address within the meaning of Article 6(1)(f) GDPR. Such legitimate interests arise from the need to fight off the attack on the Internet infrastructure, to identify the origin of the attack, to take criminal and civil action against the person(s) responsible, and to effectively prevent further attacks.

b. Contact and communication

On some pages you may enter personal data in the input fields for the purpose of corresponding with us. These data will only be processed for the purpose for which you have provided us the information, e.g., to process your enquiries or to contact you at your request. In these cases, the processing of personal data is carried out with your consent and is therefore permitted under Article 6(1)(a) GDPR. We will erase your relevant data if the purpose for which you have provided us the information has been fulfilled or completed and we are not entitled or obligated to further store these data for legal reasons.

3. Information applications of other providers

Our websites include third-party content such as videos on YouTube and maps from Google Maps. This always requires that these third-party providers use the IP address of users, since no content can be sent to the user browsers without IP addresses. We attempt to include only third-party content that uses IP addresses exclusively to deliver the content. We have no control, however, over whether third-party providers are storing IP addresses, for example for statistical purposes. The applications operated by these partners are hosted on their servers. Please note that the use of such an application is subject to the privacy policies of the respective partner, which is the controller for the processing of these data within the meaning of Article 4(7) GDPR.

a. Use of cookies

Cookies are also used as part of our Internet offering. Cookies are small text files that are downloaded to your computer or mobile device from the websites you visit. Cookies also serve to make the use of our website more convenient for you. For example, we use session cookies to recognize that you have already visited individual pages on our website. These session cookies are automatically deleted when you leave our site.

b. Use of Google Analytics

This website uses Google Analytics, a web analytics service provided by Google Inc. ("Google"). It is used on the basis of Article 6(1) sentence 1 (f) GDPR. Google Analytics uses cookies, which are text files that are placed on your computer, to help the website analyse how users use the site. The information generated by the cookies about your use of the site such as

- browser type/version,
- operating system used,
- referrer URL (the previously visited page),
- host name of the accessing computer (IP address),
- time of the server request,

is usually transferred to a Google server in the USA and stored there. The IP address transmitted by your browser as part of Google Analytics is not combined with other data from Google. We have also added the "anonymizeIP" code to Google Analytics on this

website, which guarantees that your IP address is hidden so that all data are collected anonymously. Only in exceptional cases is the full IP address transmitted to a Google server in the USA and shortened there.

On behalf of the operator of this website, Google will use this information to evaluate your use of the website, to compile reports on website activity and to provide other services relating to website activity and internet use to the website operator. You may refuse the use of cookies by selecting the appropriate settings on your browser. Please note, however, that you may then not be able to use the full functionality of this website.

You may also prevent Google from collecting the data generated by the cookie and relating to your use of the website (including your IP address) and from processing these data by Google by downloading and installing the browser plug-in available at: <http://tools.google.com/dlpage/gaoptout?hl=en>. As an alternative to the browser add-on, particularly for mobile devices, you may also prevent Google Analytics from collecting your data by clicking this link. By visiting this website, an opt-out cookie is set to prevent your data from being collected in the future. The opt-out cookie is only effective in this browser, only for our website and is stored on your device. If you delete the cookies in this browser, you must set the opt-out cookie again. Notes on integrating the opt-out cookie can be found at:

<https://developers.google.com/analytics/devguides/collection/gajs/?hl=en#disable>].

We continue to use Google Analytics to evaluate data from double-click cookies and AdWords for statistical purposes. You may also deactivate this via the Ad Preferences Manager (<http://www.google.com/settings/ads/onweb/?hl=en>).

You may disable/enable Google Analytics capture using this button:

[Block Google Analytics from tracking me.](#)

Additional information on data protection in connection with Google Analytics can be found at the Google Analytics Help section (<https://support.google.com/analytics/answer/6004>).

4. Your rights as a user of our websites

You have a right to access the personal data stored about you. In addition, you have the right to correction of incorrect data, blocking and erasure. Asserting these rights is free of charge for you. Please contact our Data Protection Officer at:
